

Criminal Justice Technology Associate in Science Degree

The Associate in Science degree in Criminal Justice is designed to prepare the student for a full range of career opportunities in the field of criminal justice. The degree provides a strong background for employment with any of Southwest Florida's many criminal justice or public service agencies, including police departments, sheriff's offices, prisons, areas of juvenile justice, or private industry.

Students intending to continue toward a Bachelor's degree are encouraged to choose electives recommended for university transfer. Contact the Edison State College Law and Public Safety Program Office at (239) 489-9132 or go to www.edison.edu for current information on Bachelor's degree partnerships with Edison State College. The Associate in Science degree in Criminal Justice Technology transfers directly into the Edison State College Bachelor of Applied Science degree in Public Safety Administration. The degree also transfers directly into any public Florida college or university's Bachelor of Science degree in Criminal Justice.

The Criminal Justice Academy Bridge Program

The Edison State College Criminal Justice Academy Bridge Program is designed for student successfully completing Florida Department of Law Enforcement's Criminal Justice Standards & Training Commission Basic Recruit Academies for Law Enforcement Officer and/or Correctional Officers. Upon completion of program prerequisites, qualified students are eligible for 12-16 credit hours of elective credit in the AS degree in Criminal Justice Technology. In addition, selected degree core requirements can be met through an accelerated study format. Course requirements for the accelerated study format will include research projects and essays. All coursework earned through the Academy Bridge Program will demonstrate advanced, independent, and critical thinking skills expected within college level coursework.

**EDISON STATE COLLEGE
CRIMINAL JUSTICE ACADEMY BRIDGE PROGRAM**

The Criminal Justice Academy Bridge program is designed for students that have successfully completed Florida Department of Law Enforcement’s Criminal Justice Standards & Training Commission (CJSTC) Basic Recruit Academy in Law Enforcement and/or Corrections. The program is designed to articulate CJSTC Academy post-secondary adult vocational (PSAV) training into the Associate in Science degree in Criminal Justice Technology.

PART ONE: ACADEMY AFFILIATED BLENDED STUDY COURSEWORK

For qualified students, selected career core requirements can be met through a directed study format. Requirements for each course completed through directed study will include research projects, essays, and advanced college level writing assignments designed to demonstrate the advanced and independent critical thinking skills expected of college level course work. Eligible Academy Bridge students will be granted permission to register for the directed study format of the courses indicated below, based on their Florida law enforcement and/or corrections certification.

IMPORTANT: You must obtain permission from the Criminal Justice Department to register for these restricted courses. Permission is granted based on Florida law enforcement or corrections certification. Contact Linda Welch at lwelch@edison.edu, 239-489-9132 for permission to register. Indicate the bridge courses you wish to enroll in, and include your College ID number in your email.
