

SCHOOL OF NURSING

Associate in Science Degree

Lee Evening Basic Nursing Program

The Lee Evening Basic Nursing Program at Edison College is offered to assist individuals to obtain an Associate of Science Degree in Nursing. The program is comprised of general education courses as well as clinical nursing courses. The curriculum incorporates classroom instruction, clinical laboratory simulation, and clinical practice in area hospitals, long-term care facilities, and various community health centers. It is recommended that all general education courses are completed before entering the nursing program. Graduates of the program will possess the knowledge, values, and skills essential to practice nursing in a dynamic and rapidly changing health care environment. Graduates are eligible to take the licensure examination (NCLEX-RN) administered by the State Board of Nursing in Florida.

ADMISSION PROCESS

The Associate Degree Nursing Program has selective admissions. Because enrollment is limited, not all qualified applicants can be accepted. In the event there are more qualified applicants than spaces available, a point system for admission will be utilized. The admission process established by the Associate Degree Nursing Program is designed to select those candidates with the best qualifications.

In addition to the admission requirements for the College, the following are requirements for admission to the Associate Degree Nursing Program:

1. Graduation from high school or receipt of a General Educational Development certificate (GED).
2. Completion of admission requirements to Edison College (ESC), including application and testing.*
3. Completion of all Learning Assistance courses, if required, by the start of the program.
4. Completion of program prerequisites: MAC 1105 (College Algebra) or higher, *or* STA 2023 (Introductory Statistics), and BSC 1093C (Anatomy & Physiology I) **prior to application deadline**.
5. Attainment of a minimum grade of “C” or above in all general education courses, including prerequisites, required in the Nursing Program.
6. Cumulative grade point average (GPA) of 2.75 or higher in all required general education courses completed.
7. **Testing:** Completion of the HESI exam with a score of 74 or higher is **required** for admission. A score of less than 80 will require students to take Peer Enrichment courses along with their nursing courses.
8. Submission of **Official** transcripts from post-secondary institutions (including Edison College) showing completion of any of the 9 required General Education classes. Transcripts should be sent to the Registrar’s Office.
9. Evaluation of all transcripts from previous colleges by the ESC Records and Registration Department for transfer of credits
10. Attendance at a Pre-Admission Nursing Orientation.**
11. Completion of the Nursing Basic Program Application along with the \$15.00 application fee (by deadline).
12. Application deadline: May 15 – Lee Evening Program.

TRANSFER POLICY

Under normal circumstances, transfers between campuses are prohibited. Should extenuating circumstances arise which are beyond the student’s control, transfer requests will be considered on a case-by-case basis by a committee comprised of the Program Coordinators and the Dean of the School of Nursing. All requests for transfer must include supporting documentation.

*The PERT is used for placement in English and math. It is highly recommended that students review English & math before taking this test.

**Students must attend a pre-admission nursing orientation prior to applying to the Nursing Program. The information exchanged is vital to applicant’s understanding of the admission process. Please call the Nursing Office Lee Campus (239)489-9239, Charlotte Campus (941)637-5667, or Collier Campus (239)732-3748 to make arrangements to attend.
