

Turnout Gear

All gear must be compliant with NFPA 1971 and NFPA 1851.

All students **must provide documentation that Turnout Gear has been inspected and is suitable for Fire Academy use** - including utilization in a “Structure Fire” environment.

Gear documentation must be current.

Students are responsible for obtaining and maintaining Turnout Gear.

Students must have properly sized gear.

Below are different vendors that offer rental gear – check with each vendor to ensure you get the best package for your needs.

The North Naples Fire Training Center and/or Edison State College do ***NOT*** endorse any of the below listed vendors. You may also use other vendors to meet your needs.
