

# Tax Time!!

All International Students on the F-1 Student Status must file with the Internal Revenue Service (IRS) each and every year by **April 15<sup>th</sup>**-- even if you are not working and owe nothing to our government. The process is fairly simple. The forms and instructions are listed below for you to download from your computer. If you are single and not married the "1040 NR-EZ" in most cases is the form to use. If you are married then the "1040NR" is the form to use. If you have any questions, there are various links you may go to for assistance or instructions.

With the new immigration laws, it is of great importance for all F-1 students to follow this regulation of filing with Internal Revenue Service (IRS) every year by April 15th.

**Note: In all cases, in sending IRS forms from Florida, send tax forms to this simple address:**

**Internal Revenue Service  
Philadelphia, PA 19255**
