

SPONSOR AFFIDAVIT

Each International Student who wishes to receive an I-20 from Edison State College must first have a sponsor or be self-sponsored. If a sponsor plans to provide financial support, he/she must also submit a financial statement with this affidavit. As a self-sponsor, the student is also required to submit a financial statement. **All documents in a financial statement must reflect the current exchange rate in American dollars and not be more than 6 months old.**

Educational, living, and personal expenses for each academic year (fall & spring semesters- 30 credit hours) are currently estimated at approximately \$ 28,467.60 for an F-1 Visa student living on their own and \$22,267.60 if living with friends or family. These fees are estimated as follows:

COLLEGE EXPENSES:	Tuition and Fees	\$	*11,655.60
	Books and Supplies		1,320.00
	Health Insurance		1,200.00
LIVING and PERSONAL EXPENSES:	Personal Expenses		4,114.00
	Transportation		2,178.00
	Room/Board living with sponsor		1,800.00
	Room/Board living on own		8,000.00
TOTAL (if living with sponsor & has appropriate documentation):		\$	22,267.60
TOTAL (if living on own):		\$	28,467.60

If an F-1 Visa student includes in this sponsor affidavit a spouse and/or a dependent child/children under the age of 21 years (F-2 Visa), an additional fee of \$5000.00 for each person must be added to the \$28,467.60.

*(30 credit hours @ \$388.52 each for lower division and \$637.00 for upper division- **Notice:** Fees are subject to change if approved by the Florida Legislature. Student will be invoiced for the fee increases, if applicable.) Fees are payable at the time of registration each term.

This affidavit is the sponsor's agreement that he/she will be responsible for the above expenses while the International Student is attending Edison College. ***International Students are not permitted to earn wages while in the United States without prior approval from the USCIS Designated School Official (DSO).***

The above tuition and fees are based on lower division course prices. Students pursuing a baccalaureate degree would need to show \$19,110.00 for tuition and fees.
