## AHA HCP CPR Certification

**\$56 (includes AHA card)**

This one day course is for individuals entering the health care workforce. Health care workers need AHA HCP CPR (**A**merican **H**eart **A**ssociation, **H**ealth **C**are **P**rovider, **C**ardio **P**ulmonary **R**esuscitation). Upon successful completion of this course the student will show proficiency in the proper assessment and treatment of the adult, child or infant in critical situations such as sudden cardiac arrest, respiratory distress / arrest, or choking. Students will also learn when and how to perform the proper use of an Automatic External Defibrillator (AED) in order to help save a life. Certification is valid for 2 years.

**This is a four hour, one day class. Register for one of the dates listed below.  
All classes will be held at Edison State College, Charlotte Campus.**

**Seats are limited, so register today!**

**Advance registration and payment is required.**

### *About the instructor:*

*Angela Dunaway began her career as a volunteer at a local hospital and then worked for a non-emergency transport service prior to employment with Charlotte County Fire and Emergency Medical Services (CCFEMS). Ms. Dunaway has been an online Paramedic as well as a field trainer for new hires and co-workers with CCFEMS for the past 20 years. Over the years, Ms. Dunaway has been awarded the honors of EMT, Paramedic, and also Field Trainer of the year awards by her peers. She is also a member of several groups including Disaster Medical Assistant Team (CISM) and Critical Incident Stress Management (CISM). After 20 years "on the job" she still enjoys her work and helping others gain the knowledge they need to begin their careers in emergency medicine.*
