

Accent Neutralization / Reduction ***Building Confidence in English Speaking and Pronunciation***

English is the primary language of the global workforce. Don't be held back because others have difficulty understanding you. Utilize this challenging and effective course to create new opportunities for the future! Be more confident and effective with your English, both socially and professionally.

This course is designed to help non-native American English speakers grasp language skills and improve their pronunciation and manner of speaking English.

Course Objectives:

- Identify difficulties with sounds, stress, rhythm, and intonation patterns.
- Recognize and effectively generate American English language sounds.
- Practice and improve speech intelligibility through use of poems, speeches, and selected texts.
- Incorporate skills within spontaneous conversational speech.
