

INTRO TO ACTING – Ages 13-16

Do you have a child who is creative and outgoing?
A Child who enjoys performing for others?

Interested in helping your child pursue opportunities in commercials & film work?

This educational sampler offers a fun-filled view of the world of acting. Each week a new avenue of acting will be explored for a possible career in film work and commercials, or just building personal self-confidence. The course will include:

- Improvisation – to help student gain self confidence and build imagination
- Developing a comfortable stage presence
- Creating characters for stage, commercials, and film
- Auditioning and working with TV commercial scripts

NOTE TO PARENTS: Parents are encouraged to attend the last class for a presentation of skills and a 'how to' discussion about the business of show business. We request that parents not attend the first three classes as some young students do not respond with adults present.
