

**TITLE: FLORIDA DEPT. OF LAW ENFORCEMENT  
TERRORISM PREVENTION PROGRAM**

**TIME PERIOD:** May 2006 – March 2008

**FUNDING SOURCE:** FDLE

**DIRECTOR:** Rick Parfitt

**ABSTRACT:** This project provides Security and Communication upgrades to Edison College. The Grant funded telephones in all classrooms on all campuses which have direct dial to 911 and/or campus public safety offices. A siren/public address system was purchased for the Collier campus, an emergency notification system (Connect-ED, NTI-Group) was contracted that allows emergency messages to all registered students, faculty and staff on all campuses. A microphone module was added to the Weigner Clock Tower on the Lee Campus.

This project serves the Lee, Collier, and Charlotte campus communities, the Hendry-Glades Center and various community partner participants with the potential to reach 16,000 students, faculty, staff and community partners.

**EXTERNAL CONTRIBUTION:** \$75,000
