If you receive Covered Services outside the state of Florida from BlueCard® participating Providers, payment will be made based on In-Network benefits.

- Your Cost Share amounts **will vary** depending upon the Provider you choose, the type of Services you receive, and the setting in which the Services are rendered.
- Payment for Covered Services is based on our **Allowed Amount** and may be less than the amount the Provider bills for such Service. You are responsible for any charges in excess of the Allowed Amount for Out-of-Network Providers.
