\*Campus/Centers is determined by the location where a student has the highest number of credits. In the case of a tie (credit hours being equal at multiple campuses), the student's home campus is determined in the following order: Hendry Glades, Charlotte, Collier, Lee and Online. For example, if a student has 3 hours at Hendry Glades and 3 hours at Charlotte, the student's campus/center would be Hendry Glades.

\*\*Courses were not designated as the Online Campus until Spring 2008.
