120 Hour Nursing Assistant Training Program

This state-approved program prepares students primarily for employment as nursing assistants in nursing homes, although other employment options are available. The successful completion of the 120 clock-hour program prepares students for certification as a Nursing Assistant in accordance with Florida Statutes, Chapter 82-163. Students are also then eligible to take the State of Florida Nursing Assistant Examination for certification. This 120 clock-hour class can be completed over a 5-week period

Prerequisites: You must have completed the 40 hour Exam Prep Class. You must also have proof of rubella immunity, a physical examination documenting the absence of lifting limitations, and a negative TB test. You cannot even put a deposit down on this class until you provide proof of ALL the prerequisites. Because of these prerequisites, you must apply in person

Students must take Nursing Assistant Exam Prep Course prior to enrolling in remainder of program.
