Summer 2009

Arterial Blood Gases (ABG) Interpretation

The more practice you get with ABGs, the easier they become to analyze. We will cover basic concepts of ABG interpretation. We will also go beyond the basic concepts to help you fully integrate compensation, base excess, and anion gaps in interpretation.

Dates: TBA

Time: 5pm to 7pm

Cost: \$30.00

Location: Edison College, Fort Myers Campus, room to be announced

Instructor: Anne Harner, RN, MSN

Seats are limited, so register today!
Advance registration and payment is required
