

Center for Continuing Education

Basket Weaving For Beginners

Student will develop skills in various weaving methods with reed and cane and will learn multiple styles of structure and shape. Imagination in design is stressed when embellishing. Each student will learn the medium that is best for each technique of weaving.

Most of your basket work will be completed using reed and cane along with some pine needle and waxed linen. Each student will be introduced to the art of basket-making and will complete one or two projects during the course (depending on size of project). Moderate hand strength is required.

Optional: Kit of tools will be available from instructor for \$80.00. Kit Includes: Reed Scissors, Reed gage, Packer, Fid (for lashing) and Spoke weight

List of materials needed from home: Small dishpan or bucket, Towel, Tape measure
