BUILD GREEN AND PROFIT: GREEN ADVANTAGE CERTIFICATION

Green Advantage is a nationally recognized environmental certification for building related practitioners - primary contractors, subcontractors and trades people. Certified individuals have successfully passed the Green Advantage Certification Exam demonstrating knowledge of current green building principles, materials, and techniques.

All materials required for the course will be provided. You do NOT have to sit for the exam in order to take the full day class but you will NOT receive Certification without passing the exam.

You will also earn 8 CEU credits for attending this class.

Dates: Wednesday, Date TBA
