Department of Continuing Education

## Certified Nursing Assistant 120 Hour Course

*This course is approved by the Florida Board of Nursing in the Florida Department of Health. This course is designed for students to develop patient care skills for employment as nurse assistants in hospitals, clinics and nursing homes. Successful completion of the program prepares the student for the certification examination and employment as a Certified Nursing Assistant in a nursing home in accordance with Chapter 464, Part II, Florida Statutes. The program length of 120 hours is divided into 80 hours of theory and 40 hours of instructor-supervised clinical practice in the Lee County area.*

**In order to enroll, you must be at least 18 years of age and have earned a high school diploma or its equivalent.**

*Pre-requisites: Competency in, or completion of, a basic computer operations course is required. Prior to clinical practice, each participant will be required to undergo a drug testing/fingerprinting/background check, show proof of completion of CPR for the healthcare provider, proof of a current physical examination, and tuberculosis screening. **Satisfying the prerequisites is the student's responsibility.***

**Seats are limited so register today! Advance registration and payment is required.**

*The course combines theory and practical instruction over 8 weeks. Competency will be measured by written and practical examinations. Practical material will be presented and graded in a competency-based fashion under the direction and supervision of a qualified instructor.*

### Learning Outcome:
