Designing your own Sweater

This is a class that will focus on teaching people who are already familiar with knitting the beginning to end process of actually designing their own sweater. The class would include how to use mathematical formulas to correctly fit the sweater, use of yarns, how to make an Aran knit sweater, fair isle, multicolored, lace etc.style.

Dates: Thursdays (2 week sessions)

- TBA- Contact office for more details.

Time: 6pm – 8pm

Cost: \$75.00

Pre-Reqs: This class is would be for intermediate to advanced knitters.

Location: Edison State College, Lee Campus, room to be announced

Instructor: **Diane Houle** has been involved with textiles since she learned to knit and crochet in elementary school. She has taught knitting in her home with courses to beginner students, how to design a sweater, and finishing touches to improve overall appearance of the garment. She learned to spin when her children were young. She also taught others how to spin and they formed a group called The Twisted Sisters. They spun at fairs, for a morning TV show, and in schools. She then purchased a loom and began weaving. She started a company called Rocking Sheep Woolens.

Seats are limited, so register today!
