Emergency Medical Technician Refresher - Online

Edison College and HealthStream have partnered to offer this continuing Education Course approved by Continuing Education Coordinating Board for Emergency Medical Services. (CECBEMS) – The Online course meets the CECBEMS Distributed learning policy Statement requirements, established in 2001.

Our online course is interactive, user-friendly, and covers topics within all seven of the National Standard EMS Curricula categories:

- Airway Management Ventilation
- Medical
- Operations
- Patient Assessment
- Preparatory
- Special Considerations
- Trauma

Accessed through our HealthStream Learning Center, courses are available online 24/7. By providing greater convenience and flexibility, you avoid scheduling conflicts. The administrative features of our system are automated, alleviating tedious manual processes.
