

## Center for Continuing Education

### Free Orientation with Job Corps

Job Corps is a free education and training program that helps young people learn a career, earn a high school diploma or GED, and find and keep a good job. For eligible youth at least 16 years of age, Job Corps provides the all-around skills needed to succeed in a career and in life.

Veterans: Transitioning from the military and starting a new career can be challenging. See how Job Corps can help you.

Job Corps has been awarded funds under the American Recovery and Reinvestment Act (ARRA) of 2009 to be used for construction, rehabilitation and acquisition, as well as operations needs. Since the act was signed into law one year ago, Job Corps has implemented student training programs and commenced construction projects on more than 65 centers, helping create and retain jobs.

The Job Corps orientation will consist of explaining what Job Corps is all about, the eligibility requirements and most importantly what attendees will be able to obtain and accomplish from Job Corps. We will talk about the career offerings, the available centers and other benefits while at the center. Lastly we will explain how to start the admission process.

Free Orientation will be held on Tuesday, November 8th from 10:00am to 12:00pm in Taeni Hall, S-117. You do not need to preregister for this event.
