PHARMACY TECHNICIAN TRAINING PROGRAM With Externship

As a Pharmacy Technician you will help the pharmacist package or mix a prescription, maintain client records, refer clients to the pharmacist for counseling, assist with inventory control and purchasing, as well as collect payment and coordinate billing. This course combines 182 hours of classroom instruction with 120-hour externship to provide you with a complete learning experience.

This course is designed to prepare the participant for eligibility to become a Pharmacy Technician. In addition, participants will be qualified to apply for certification by the Pharmacy Technician Certification Board (PTCB) and will meet the training requirements of the State Board of Pharmacy.

“Eligible” students can be placed in externships prior to completion of the classroom portion and will be placed in externships no later than 90-180 days from the end of the classroom portion of any course. An eligible student is one who has all prerequisites on file with Edison State College. Full details will be given during the first class session.

Course fee includes textbooks, course materials, externship placement and certificate of completion.

Pre-requisites: In order to enroll, you must be at least 18 years of age and have earned a high school diploma or its equivalent. Competency in, or completion of, a basic computer operations course is required. Prior to placement in an externship, each participant will be required to show proof of completion of CPR for the healthcare provider, proof of a current physical examination, tuberculosis screening, and submit a resume. Satisfying the prerequisites is the student's responsibility.

Dates: Monday and Wednesday evenings 6pm – 9:30pm
and Saturdays, 9am – 3pm
