

Zumba Class

Let's face it, working out can be healthy and rewarding, as well as beneficial. But working out has not been known in the past as much fun..... Until Now!

Zumba® fuses hypnotic Latin rhythms and easy to follow moves to create a dynamic fitness program that will blow you away. Our goal is simple... We want you to want to work out, to love working out, and to get hooked. Zumba® Fanatics achieve long term benefits while experiencing an absolute blast in one exhilarating hour of caloric-burning, body-energizing, awe-inspiring movements meant to engage and captivate for life!

The routines feature interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt your body while burning fat. Add some Latin flavor and international zest into the mix and you've got Zumba®!

In the past years Zumba® has become nothing short of a revolution. Coining the concept of fitness-party™ and making fitness fun, Zumba® has spread like wild-fire, and has positioned itself as the single most influential movement in the industry of fitness.

As of July 2009, Zumba® is being taught at over 40,000 locations in seventy-five countries, sold millions of DVD's, and changed the lives of millions of Zumba® Fanatics worldwide.

Why? Because it's the best party around.
