An Evening with Jim Wall "The Career Doctor"

Jim has helped thousands of individuals break the chains of unemployment by sharing the secrets of developing job search strategies that truly lead to employment opportunities.

These proven strategies get results. If you are a first time job seeker, a professional or a seasoned member of the workforce—don't miss this opportunity to spend an evening with one of Southwest Florida's premier experts on job search strategies.

"There is a world of difference between developing a healthy & successful Job Search Strategy versus Looking for a Job!"

Jim Wall "The Career Doctor"

Subjects to be covered:

Resumes & Cover Letters

Interviewing Q & A

Networking

Job Keeping Skills

Career Assessment

Skills Inventory

Social Media

Branding

Much, Much, More
