German 2

"You know some German - great! You want to learn more - even better!"

This course is designed for students with some previous knowledge of German no matter if you took it back in high school or more recently.

We will focus on all language skills: listening, speaking, reading, and writing. The goal is to make the students more comfortable using their (almost) new language in the situations they encounter in everyday life, for example: travelling abroad, conducting business, meeting people - just think about all those German tourists in Florida!

Ich freue mich auf Sie!"
