

Center for Professional Development

Train the Trainer course

This 9 hour course will prepare instructor candidates to present technical or commercial information to their perspective students. During this course each student will present 3 times, 1 will be an impromptu, 1 will be a 10 minute lesson in the instructor candidates field of study and a final practice exam that will last 20 min in the instructor candidate field of study. There will be an open book exam consisting of 30 questions and a score of 85% will be required in order to pass this course and gain an Edison State College Certificate of satisfactory completion
