High school students who wish to participate in Edison's Accelerated High School Programs must obtain permission from the high school Principal or designee, complete general admissions requirements for accelerated students, and provide the appropriate approval form for their specific program (Early College, formerly known as Dual Enrollment, or Early Admission). See your high school guidance counselor for information and approval form.

INFORMATION FOR RESIDENCE CLASSIFICATION

A Florida “resident for tuition purposes” is a person who has, or a dependent person whose parent or legal guardian has, established and maintained legal residence in Florida for at least 12 months. To qualify as a Florida resident for tuition purposes you must be a U.S. citizen, permanent resident alien, or legal alien granted indefinite stay by the U.S. Citizenship and Immigration Services. Living in or attending school in Florida will not, in itself, establish legal residence. Students who depend on out-of-state parents for support are presumed to be legal residents of the same state as their parents. Residence in Florida must be for the purpose of establishing a permanent home and not merely incident to enrollment at an institution of higher education.

The instructions below do not comprise a comprehensive statement regarding residency classification. Refer to the “Florida Residency for Tuition Purposes” and “Residency Reclassification” sections of the current Edison Catalog. This Residency Application and Affidavit along with copies of documentary evidence must be submitted to the admissions office on the campus of your choice no later than the published “Last day to apply for change of residency for tuition purposes” for the term in which the residency is requested to take effect. Please refer to the Official College Calendar for important deadlines and dates.

DEPENDENT OR INDEPENDENT

The determination of dependent or independent status is important for residency classification because it is the basis for whether the student has to submit his/her own documentation of residency (as independent) or his/her natural/adoptive parent’s or legal guardian’s documentation of residency (as dependent).

Independent Student Criteria (Must meet at least one criterion to be considered independent.)

1. The student is 24 years of age or older by the first day of classes of the term for which residency status is sought at a Florida institution.(Current Edison Application for Admission must be on file in Registrar’s Office.)
2. The student is married. (Copy of marriage license or, if appropriate, divorce decree is required.)
3. The student has children who receive more than half of their support from the student. (Copy of most recent federal income tax return listing children as dependents is required.)
4. The student has other dependents who live with and receive more than half of their support from the student.(Copy of most recent tax return listing dependents is required.)
5. The student is a veteran of the US Armed Forces or is currently serving on active duty in the US Armed Forces for purposes other than training. (Copy of DD214 or military orders is required.)
6. Both of the student’s parents are deceased or the student is or was (until age 18) a ward/dependent of the court. (Copy of parents’ death certificates or a court order or letter from Children and Family Services is required.)
7. The student has established independent annual financial resources of at least \$6,500 per year. (Copy of most recent federal income tax return and W2 form(s) required.)

Dependent Student: If you are under the age 24 and 51% or more of your support is provided by another as defined by the IRS, you will be classified as a dependent student and your parents or legal guardian will need to provide proof of residency.

Documentary Evidence

The Claimant must provide two forms of evidence from the following lists; at least one document MUST be from Tier One. **ONE** document from Tier Two may be used in conjunction with **ONE** document from Tier One. **ALL documents supporting the establishment of legal residence** (whether from Tier One and/or Tier Two) **must be dated, issued or filed 12 consecutive months before the Proof of Florida Residency Deadline** date established for the term for which Florida Resident classification is sought.

First Tier (at least ONE of the two documents submitted must be from the following list)

Florida Driver’s license (if known to be held in another state previously, must have relinquished)

OR a State of Florida identification card (if evidence of no ties to another state)

Florida voter registration card

Florida vehicle registration (must show 12 consecutive months, two consecutive years of vehicle registrations may be required)

Declaration of domicile in Florida (12 months from the date the document was sworn and subscribed as noted by the Clerk of Circuit Court)

Transcripts from a Florida high school for multiple years (if Florida high school diploma or GED was earned within the last 12 months)

Proof of permanent full-time employment in Florida (one or more jobs for at least 30 hours per week for a 12-month period) Letter from employer required.

Benefit histories from Florida agencies or public assistance programs

Second Tier (may be used in conjunction with one document from First Tier)

A Florida professional or occupational license

Florida incorporation

Documents evidencing family ties in Florida (Legal guardianship papers or other official court documents)

Proof of membership in Florida-based charitable or professional organizations

(Note: membership in a church does not constitute membership in a Florida-based charitable organization)

Any other documentation that supports the student’s request for resident status

Example of “other” documentation:

Utility bills and proof of 12 consecutive months of payments, service must be current with no outstanding balance. Satellite TV, cell/mobile phones cannot be used

Lease agreement and proof of 12 consecutive months of payments

State or court documents evidencing legal ties to Florida

Unacceptable Documents (may not be used)

Hunting/fishing licenses, Library cards, Shopping club/rental cards, Birth certificates, Passport

Other persons not meeting the 12-month legal residence requirement may be classified as Florida residents for tuition purposes only if they fall within one of the limited special categories authorized by Florida Statutes (see below). All other persons are ineligible for classification as a "Florida resident for tuition purposes."

- (A) I am an independent person and have maintained legal residence in Florida for at least 12 consecutive months.
- (B) I am a dependent person and my parent or legal guardian has maintained legal residence in Florida for at least 12 consecutive months.

- (G) According to the United States Immigration and Customs Enforcement (ICE), I am a permanent resident alien or other legal alien granted indefinite stay. I have maintained domicile in Florida for at least 12 consecutive months. **(Attach copy of ICE document.)**
- (H) I am a member of the armed services of the United States and am stationed in Florida on active military duty pursuant to military orders, or whose home of record is Florida (or I am the member's spouse or dependent child). **(Attach copy of military orders [DD214] or military document showing home of record.)**
- (I) I am a full-time instructional or administrative employee employed by a Florida public school, community college, or institution of higher education (or I am the employee's spouse or dependent child). **(Attach copy of employment verification.)**
- (J) I am part of the Latin American/Caribbean scholarship program. **(Attach copy of scholarship papers.)**

- (N) I am a full-time student participating in a linkage institute (S.240.137, F.S.). **(Attach copy of linkage institute letter.)**

Reclassification of residency for the purpose of tuition is not automatic. Enrolled students who are classified as non-Florida residents for tuition purposes and who believe they may qualify for in-state tuition effective with the next academic semester must submit the appropriate documentation demonstrating the establishment of bona fide domicile in this state for at least 12 consecutive months to the Office of the Registrar by the last day of add/drop of the term for which they are seeking residency reclassification.

- Financial hardship and/or length of enrollment at Edison are not determining factors of residency.
- Persons having an out-of-state driver's license, vehicle registration, voter's registration or employment are not considered permanent residents of the state of Florida.
